Invitation Letter

To whom it may concern,

On behalf of the conference programme committee, we would like to extend our most sincere invitation for you to participate in the

International Joint Conference on Theoretical Computer Science (IJTCS) – Frontier of Algorithmic Wisdom (FAW), August 14 - 18, 2023, University of Macau, Macau.

We will cooperate with CSIAM and ACM China Council to provide you with a feast of theoretical computer science. It is the 4th IJTCS and 17th FAW (originally run as a workshop). IJTCS-FAW 2023 is calling for participants working in all branches of theoretical computer science. The conference has focus tracks on Algorithmic Game Theory, Blockchain, Multi-agent Reinforcement Learning, Quantum Computation, Theory of Machine Learning, Machine Learning, Formal Method, Algorithm and Complexity, Computational and Network Economics. Furthermore, we will also host a series of featured forums including Female Forum, Young Faculty Forum, Young PhD Forum, and Undergraduate Research Forum.

After the conference, selected papers will be invited to special issues in: Theoretical Computer Science, Journal of Combinatorial Optimization, IEEE Transactions on Network Science and Engineering, Journal of Systems Science and Information, and Blockchain Journal. One Best Paper award and one Best Student Paper award will be presented.

We are looking forward to welcoming you in Macau!

Yours sincerely,

Xiaowei WU
